X Fits In Standard Vehicle

? Investigation Required

NOTE: SS150 or SS150XL fits in most older model cargo vans. Call us today for a full investigation.

WARNING: Link products must be professionally installed by a trained technician when being placed into an Electric Vehicle (EV). Electric Vehicles have higher voltage batteries and cables and drilling into Electric Vehicles may cause serious bodily harm and possibly death. Link is not responsible for optional configurations or equipment that restrict the installation of this product in any way. Consult OEM body builder guides for additional installation guidelines.
